Correction: Safety and efficacy of using portable coagulation monitor for INR examination after left-sided mechanical prosthetic valve replacement

Yue Shen^{1,2}, Fu-xiu Zhong^{2,3} and Xue-shan Huang^{1,2*}

Correction to: Journal of Cardiothoracic Surgery (2022) 17:297

<https://doi.org/10.1186/s13019-022-02046-8>

Following the publication of the original article [1], in "Author Contribution" section author name needs to be expanded. So the text will read as follows:

Yue Shen and Fu-xiu Zhong contributed equally to this study and share first authorship. Xue-shan Huang and Yue Shen designed the study, participated in the operation, and drafted the manuscript. Yue Shen and Fu-xiu Zhong collected the clinical data and performed the statistical analysis. Xue-shan Huang provided technical support. All authors read and approved the final manuscript.

The original article has been corrected.
